**ART 2026**

- Artworks must be learners' **OWN** work.  
Con Spirito relies on the integrity and honesty of learners, parents and schools.
- If schools want learners to complete the artworks under supervision at their schools, this is the school's own arrangement and responsibility.
- **NO artwork that was entered in previous years at Con Spirito may be entered again.**
- **NB! Only ONE artwork per ITEM** (there are only **fourteen** mediums – see below).
- Schools are also requested to send Con Spirito a list of names and artworks (per grade).
- Results and feedback forms, together with the artworks, will be sent to your schools approximately 7 days later.
- If the adjudication takes place at the school, the results are handed out on the same day.
- Artworks may be entered **ONLY** under the following categories and **prescribed themes**.
